

Honors in the Major:

Information Technology

Information Assurance and Security; Integration of Enterprise Systems; Systems Development/Analyst; Web Application Development; General Computer Science; Network and Telecommunications Management

Students in the Honors Program can choose to pursue various designations to earn upon graduation, including *Honors in the Major*. By completing *Honors in the Major*, students will:

- engage in an enriched and extended learning experience;
- develop as scholars and gain an edge over their peers by choosing a rigorous preparation in their field of study;
- be recognized in the Commencement Book, transcript, and on the diploma.

Students earn this designation at graduation; requirements, including being in good standing with the Honors Program, are reviewed at the end of the final semester:

1. 3.3 cumulative GPA
2. 3.5 major GPA
3. Fulfill Honors Program participation requirements: 1 Honors Learning Experience per semester in the program, including the final semester (students are not required to complete an Honors Learning Experience when they are off-campus)
4. Complete 2 Honors Learning Experiences in IT, specifically:
 - a. Honors Section of or Honors Contract in an IT course or Honors Research with an IT faculty member
 - b. Honors Section of or Honors Contract in an IT course or Honors Research with an IT faculty member
5. Complete an Honors Capstone Experience:
 - Honors Independent Study, IT 299, or Honors Thesis, HON 395
