Honors in the Major:

Technology

Construction Management; Engineering Technology; Graphic Communications;
Industrial Technology – Computer Systems Technology; Renewable Energy;
Technology and Engineering Education

Students in the Honors Program can choose to pursue various designations to earn upon graduation, including *Honors in the Major*. By completing *Honors in the Major*, students will:

- engage in an enriched and extended learning experience;
- develop as scholars and gain an edge over their peers by choosing a rigorous preparation in their field of study;
- be recognized in the Commencement Book, transcript, and on the diploma.

Students earn this designation at graduation; requirements, including being in good standing with the Honors Program, are reviewed at the end of the final semester:

1. 3.3 cumulative GPA

2. 3.5 major GPA

3. Fulfill Honors Program participation requirements: 1 Honors Learning Experience per semester in the program, including the final semester (students are not required to complete an Honors Learning Experience when they are off-campus)

4. Complete 2 Honors Learning Experiences in TEC:

   a. Honors Contract in a TEC course at the 200 or 300 level.
   b. Honors Contract in a TEC course at the 200 or 300 level.

5. Complete an Honors Capstone Experience:

   - TEC 299: Honors Independent Study (1 – 3 credit hours)
